Mr Lynch coached the team this Saturday. There were lots of good team work and we started using a few headers which was good to see. Players, everyone of you had great manners and it was a pleasure to coach the team. A job well done.

Civic Award winners are Flyn McConnell for great inside work and Shayden Grindlay for great defense.

Under 11/12

Congratulations everyone on some great football in addition well done all the kids who represented our club at the CQ Trails in Mackay. We had 37 of the 48 registered players turning up on the weekend. Well done to James Mullins (Terrific Defending) and Flora Cassidy (great reading of the game and positional play) our recipients of the weekly Civic Video awards.

Another week with plenty of goals, FBI's beat Gladiators 4-0 in a good first game. The second game saw Pumas beat the Vikanators 3-1. Positional awareness is becoming more important as we see the teams who are moving the ball about and playing the game off the ball are getting the advantage. We try to correct this by getting on and coaching though advice and helping out a bit. Saying that I still believe that passing, receiving and understanding positions as well as reading the game are improving. Keep it up kids. When you get it right the goals will come and defensively your team will be stronger.

So far we have 11 U11 and 0 U12 players registered for our first fun day at Clermont on Sunday. I am away this

weekend in Biloela so the parents who will be helping are Barney and Paul Ryan as well as Bernie Z.

Please be at the oval 15minutes before the first game kick off and to stay for both games. It is important to watch, learn and support your mates.
