A sunny day with lots of enthusiasm was the focus for last Saturday's game. Teams played two, ten minute quarters exchanging fields at half time. May thanks go out to the parents who assisted on the day. Over the next few weeks we will be calling on help from Mums and Dads, as many of our current helpers will not be available due to prior commitments, especially on the week end of May 23. Any parent assistance on Tuesdays would be most welcome as well, as we are limited in numbers of helpers due to shift work. We have many players who have grown immensely in their skill base since under 7's and for this growth to continue we will need to call upon parents. If you have a particular knowledge of soccer or have an interest in the game then please let us know. **The Civic Video Awards** this week end go to Angus Rayner for excellent strategic play and Pierson Bell for great play. Well done football players! We look forward to watching your game next week.

### Youth

**Junior Premier League Rockhampton Trials**

### A couple of our young people went to try out for the Junior Premier League in Rockhampton last week end.

They were successful in either being accepted in the CQ Representative squads or invited for further training and try outs for the zone sides. Congratulations to Zac Wood who made the U15 JPL CQ Representative side. Kaiya-Jo Williams, Aileen O'Donnell and Brittany Smith were all invited to keep training with the girls U15 CQ Representative side. Well done guys, all your hard work in paying off.

### Canteen News

The club is looking for a **canteen co ordinator**. Elizabeth has other commitments at the moment so we need another co ordinator to take care of the ordering and make sure there are enough icy cups for the players to buy. If you are interested in helping out the players please call Mike Featherstone on 0447 249566.

A big thanks to Elizabeth, her support has been great over the last couple of years.

The committee has decided to also reintroduce the age group roster system on Saturday's. in the Canteen. Each week an age groups parents/carers are ask to volunteer their time at the canteen for about one hour.
